J. A. Minnis, a rapid-wire pass practical eight specialty of compounding tions.

OUR BOUNDLESS
A Competition by all Wright Hand at Same Commencement.

Hickey does not furnish in the countless ages past of heroic, sacrificing struggle as much than that presented South since the close of the tween the States.

On his return from the valor the soldier found his and home desolate. Absent years ago one of Earth's nations was buried and the smoke of civil war.

Each Confederate hero like an obedient son from his mother, not with hatred, but with tears and sought a more congenial

A ring of rusted wire was traveling in rapid his poor pitiful old soldier a wound in one god man in gray, amputation She had been re- Hair starved, heavy hearted by want and tear-stained and pallid as she jarred pleds his soul to get

But see him as he is in ruins, farm in dead of freedom, his trade has in the northeast and the
